To book a slot, either as a rental, or as a free slot, call Luna on 01288 357305 or email: lredhead@bude-stratton.gov.uk:

Morning slots are from 9am until 1pm, afternoon slots are from 1:30pm - 6pm, Evening slots are from 6:30pm - 10pm

You can drive up to the Bandstand and park and unload/reload. If you need time either side of this, just call Luna to check availability. The Bandstand has electric and the point is reached via a ladder. The electric extension needs a 16 amp, 3 pin plug. If you need to borrow either of these for your performance, please let Luna know on 01288 357305 or email: lredhead@bude-stratton.gov.uk

Evening Performances: The castle closes at 5pm, so we are unable to loan any equipment out to performers needing electric. You must source a step ladder and 16amp extension for yourselves. It is also important to mention that we are in a residential area and as such require a sound check to be performed for all evening performances. This consists of arranging for the sound to be heard down the bottom of the hill, towards the Methodist church. If it can be heard clearly, then it is too loud and must be turned down. The music should be played to the lawn audience only.

The Castle will be lit up every evening, but unfortunately there is no lighting on the Bandstand, so you may need to bring some yourself. Our live music license is only valid for performances up until 22:00.
